Key Stage 4
Options Form
Assembly 11.02.21

When should I submit my form?

- By 3pm on Friday 5th March 2021
- There is no 'first come first served' – we will not look at any forms until the deadline has passed
- You may only submit one form – take your time to get it right
- There will be no changes come September

Will I get all of my choices?

- We very much hope to, but cannot guarantee you will get all the options you select – this is why you must also provide a reserve in each Option Block
- There is a comment box at the end of the form for any requests e.g. an essential option choice or combination – provide a clear reason
- Some courses may not be able to run if student number thresholds are not met or if there are unanticipated staffing changes
